AGA KHAN UNIVERSITY EXAMINATION BOARD

SECONDARY SCHOOL CERTIFICATE

CLASS IX

MODEL EXAMINATION PAPER 2026 AND ONWARDS

Computer Science Paper II

Time: 1 hour 50 minutes Marks: 25

for AKU-EB
Model Paper 2026
and Learning Only

INSTRUCTIONS:

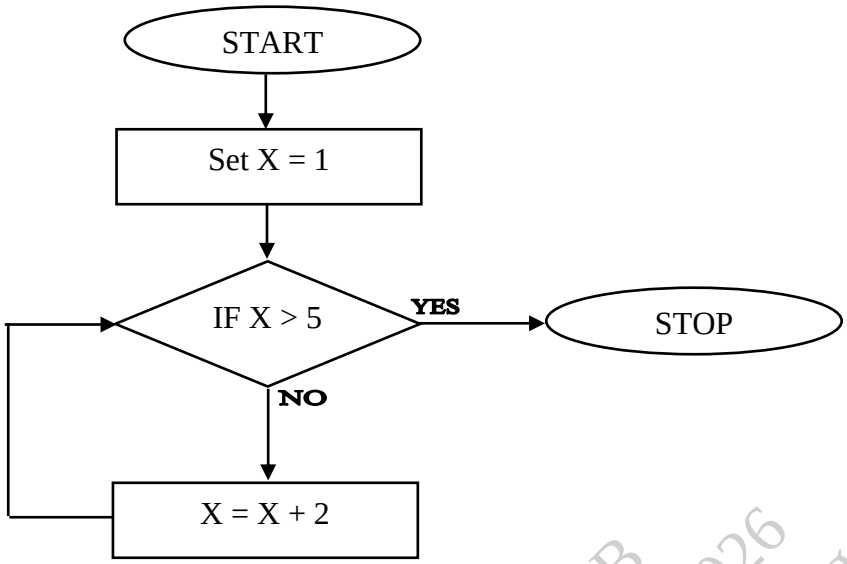

1. Check your name and school information above. Sign if the information is correct.

I agree that this is my name and school. **Candidate's Signature**

2. Read each question carefully.
3. There are SEVEN questions in this exam. Answer ALL questions. Questions 6 and 7 each offer TWO choices. For each of these questions, attempt ONE choice only.
4. When answering the questions:
   - Use a black pen/ pointer to write your answers. DO NOT write your answers in pencil.
   - Use a black pencil for diagrams and drawings. DO NOT use coloured pencils, markers or highlighters.
   - DO NOT use staples, paper clips, glue, correcting fluid, or ink erasers.
     If you make a mistake, cross it out neatly and write the correct answer beside it.
   - Write your answers only in the allocated space provided for each question.
   - DO NOT write outside the answer space. Answers written outside the allocated space will not be marked.
5. The marks for each question are shown in brackets ( ) next to the question number. Use this information to manage your time efficiently.
6. DO NOT mention your name or school name anywhere inside the paper.

Q.1. (Total 3 Marks)

Consider the given flowchart.

Complete the trace table showing the values of X at each step.

Iterations	Value of X
1	
2	
3
